History

Vintage Headlamp Restoration International Ltd was founded in 1992 by silversmith Peter Appleyard. The company offers restoration services to vintage and classic automobile enthusiasts. VHR is housed in purpose built work shops in Sheffield England with the facilities required to restore and replicate headlamps to concours standard.

International contracts account for more than 60% of VHR's orders. Traditional skills appreciated worldwide.

VHR International have developed a strong and proven expertise in the restoration of vintage headlamps. This expertise led to the diversification to encompass a replication service.

Now VHR International manufacture greater than 60 lights including classic headlights such as the Marchal Equilux and Lucas Le Mans range of lamps. These complete units are of unsurpassed quality and have received rave reviews from customers worldwide.

“We have the facilities and the know-how to restore, or replicate, any prestige automobile light”

The VHR International team is led by Peter and Lee Appleyard.

Peter was trained as a silversmith and worked at several silvermithing companies in Sheffield. Peter founded VHR in 1992 and has now made VHR the first port of call for concours restoration of vintage and classic automobile lights.

Lee has been an influential member of the VHR team for 10 years and is responsible for all stages of lamp replication and restoration.

The VHR team can restore or replicate any vintage or classic automobile lamp. If the lamp that you require is not included in this brochure please visit our website or contact us for further details.
